

Junior Girl's and Young Men's Guidelines

for Kid's Market and Mom, llc

Please print this page using the link above and bring it with you to receiving. A signed copy will be attached to your contract.

We now ONLY accept the brands shown below. There are NO exceptions. If you bring a brand not on the list it will be set aside for donation to charity.

Junior items should represent the current trends of our older children. We have gathered a list of most current junior brands. Junior sizes include: XS, S, M, L and XL. You may use this on the tag "size" line.

Waist size jeans, pants and shorts are accepted too: (for example - 32x34 or 26x32)

If sized with a # they must be 1/2, 00, 0, 1, 3, 5, 7, 9, 11,13, 15. (Use the Size # on the tag). No EVEN Sizes, as these are considered Misses sizes. Kid's Market and Mom does not sell Men's or Women's (including Misses) clothing.

Write on tag "size" line that it is a "junior" or "young men's" item. We need better descriptions on tags.

(Sign / Seller ID / Date)

I have read and understand the Junior Girl's/Young Men's guidelines. I realize that if I have brought any item that does not meet the guidelines that it may be given to charity immediately.
